## Official Club Meeting Minutes

- Dave W. is continuing to pursue a club display event at a Grayslake library. There is interest by several club members to volunteer for an opportunity to promote the club and hobby along with the potential to change the negative public perspective of "drones". The event could possibly be late this year or early spring 2016.
- The mowing signup sheet for the season is posted on the website. Please sign up for your dates to mow.

### **New Business:**

- The club membership discussed reserving the right to accept or reject prospective club members. Documentation will be reviewed and updated in the upcoming By-Law update and revision.
- The Lake County Fair parade has been cancelled. Thanks to all who volunteered to represent the Sky Knights in the parade. Ralph mentioned that the Lake County Eagles recently had a nice float in a local parade, however no new members resulted from the event.
- There was an inquiry regarding the Weldon Smith photos from a past club event and if there was potential for the AMA to publish.
- Family Day details - Sunday 8/23. Start at Noon, food at 1PM. Need buddy boxes and planes. Potential FPV racing from 10 to 11AM. All family members are welcome. John L is running the contests and looking for prize donations. John C will supply burgers and brats, Jon E - Drinks, Rich - Buns, chips, condiments and relish tray. Please bring a dish to pass.
