

# Sky Knights Aeromodeling Team

Official Club Meeting Minutes

**Date:** August, 2016

An Official meeting was not held due to a busy Sky Knights schedule for the week.

A short club update was provided at the annual club Family Day outing.

As discussed at the previous meeting, a decision to replace the tractor was made out of necessity and after much team research. This resulted in some financial considerations in order to maintain our ability to provide our annual donation to Marge for the use of the field.

Thanks to Dave W, we are fully funded to deliver our annual field donation to Marge later this year.
