### **Field Report (TBD)**

Marge has brought up the possibility that she may not be around much longer due to her inability to maintain the property by herself. For now we are mowing her property as well.

If you are going out to mow, send an email out ahead of time to see if someone can join you. It goes much faster with 2 people.

The Lake County Fairgrounds will most likely be available for indoor flying in the winter.

### **Safety Report (Chris Pollock):**

Nothing

### **Web Report: (John Clauson)**

The picnic photos are up. Check to see if you got credit for the days you mowed.

### **Old Business: (Jon E)**

- A list of tasks to do at the field still needs to be made.
