John brought up some new ideas to refresh the website.

New videos are welcome.

Old Business:

- The Grayslake library, Introduction to Drones Program was held on June 6th. The event was a success with 18 attendees. Additional sessions may be planned if not excessively burdensome. A Library donation to the Sky Knights for future programs may have potential.
- The Chain-O-Lakes Eagles RC Club FPV demo by the Sky Knights will be held on 7/14. Two additional pilots are needed. Contact Jon E. if interested in participating.
- The Sky Knights Picnic / Family Day date will be held on Sunday, August 19th, with a rain date the following Sunday. We have 1 additional meeting prior to the picnic. Ideas and volunteers for food, refreshments, events and field prep will be necessary.
- If you are interested in organizing and managing a Drone Racing program for the club, please consider a proposal to volunteer and lead the event(s).

New Business:

- Remember, If you Fly, You Mow! Sign up, get out to the field, mow and fly.
