Secretary's Report (Rick Christian)

The TRUST test that all flyers must take is now live on the AMA website.

Field Report (TBD)

The New to us Zero Turn mower that Jim acquired is now ready to use. The front right tire will not hold air, and one of the switches is faulty, but Jim will take care of this. Be careful when driving it, as it is much faster than the old mower. Changing speed suddenly can cause it to skid.

Safety Report (Chris Pollock):

The AMA used to have a Safety Guidelines poster that was required at fields. A check will be made to see if it is still required/available.

Web Report: (John Clauson)

The Doman has been renewed. John will be reimbursed for the expense.

Old Business: (Jim Larson)

- A list of tasks to be done besides mowing the field needs to be created and access given to members.
- The Picnic will be on Sunday August 15th.
- The Picnic Benches need to be stained.
